POLICY OF THE ST. LOUIS BALLROOM DANCERS

Please register for ALL classes online or by mail. Visit stlouisballroomdancers.com for more information. In order to allow classes to start promptly on the hour, early registration is essential. THERE WILL BE AN ADDITIONAL FEE OF \$5 PER PERSON PER CLASS FOR STUDENTS REGISTERING AT THE DOOR!

EVERYONE should arrive at least 10 minutes before class time.

No sign up for class sessions will be accepted after the second week of classes. PLEASE attend ALL the classes. Regular attendance is necessary since each week builds upon the past week.

PLEASE CALL the class committee if you or your partner are unable to attend a particular class so that partners can be found. Call Dee at 314-965-8852.

YOU MUST know the BASIC STEPS of the dances being taught before registering for anything above a beginning or introductory class. YOU MUST have taken AT LEAST ONE LEVEL of Intermediate Social Class before registering for the International Class.

The THURSDAY's 9 PM CLASS as well as the TUESDAY AND FRIDAY classes are for the more advanced dancers and are for COUPLES ONLY.

The teen children and grandchildren of St. Louis Ballroom Dancers Members will be admitted FREE to any of our dance classes if they are between the ages of 13 through 18. They must have their own partner and THEY MUST PREREGISTER for the class. (Their partner does not have to be the child or grandchild of a member. If a partner is between ages 13 and 18, they will also be free, but if they are 19 or older, they must pay adult prices).

The St. Louis Ballroom Dancers are not responsible for any personal injury incurred while attending our classes.

In the event of an emergency cancellation of class due to weather or other circumstances, every effort will be made to reschedule. In the event that a class cannot be rescheduled, a refund will not be made.

SINGLES (Thursday 7pm and 8 pm Classes Only)

A limit of 15 singles per class will be accepted in the Thursday classes. If you are accepted as a "single" student in of our Thursday classes, the class committee will do its best to secure a partner for you (an "angel") for the session, although we do not absolutely guarantee a partner each night because emergencies do arise.

As it is very difficult to find extra partners, we would like to remind you that there are some responsibilities on your part in exchange for this privilege:

1. You must inform the class committee in advance if you will be unable to attend a particular night, preferably 6 hours in advance, so that we can re-adjust partners and/or notify an "angel" that he/she will not be needed. This basic courtesy is very important as some of the angels drive great distances just to help out in this capacity. (call Dee at 314-965-8852).
2. You may not ask someone to be your non-paying partner who regularly serves as an angel. That is the committee's responsibility. The committee will make sure an angel is capable of dancing in the intermediate or international class.
3. You may find a partner on your own who is also going to pay for the class. You will be assigned a partner (angel) on a first-come, first-served basis. Late comers who did not register in advance stand little chance of having a partner.
