

***A word from our President:***

I am pleased to report that the St Louis Ballroom Dancers is alive and well! Overall, attendance at our social dances and classes is consistent and beginning to grow steadily. A topic came up recently before the Board of Directors that I want to share with you.

According to the records of our Treasurer, Sue Scott, there has been no compensation increase for our class instructor, Diana Roberts, in over 20 years. Anyone who has taken classes knows the high quality of instruction she consistently provides. The Board of Directors has feels that it is important to make a long overdue adjustment in her compensation.

Since the club's current income from the classes allows us to make a little more than break even, the Board voted to approve a \$5 per class per person adjustment starting in our new fiscal year in September 2022.

As your President, I would like to hear your feedback on this change. Please do send your comments both pro and con to me at [Pres.STLBD@gmail.com](mailto:Pres.STLBD@gmail.com). It is vital that we keep all our current class members while being fair to our instructor.

I hope to see you at our next dance June 4th.
