A word from our President:

I am pleased to let you know that our classes currently serve over 100 student dancers cumulatively over the 3 nights of the week. We also average over 55 social dancers at the marvelous Jost dance facility. This is proof that our club is fulfilling its mission to promote quality Ballroom Dancing in St. Louis. Our finances look equally strong. We set our pricing for all activities to break even, and history shows that we are very low in cost with extremely high quality.

Each of these facts only happens because of volunteers like yourself, our Board Members, our class instructor, Diana Roberts, and our DJ, Stan Collins. I salute all of you and hope that new volunteers will keep stepping forward as needed in the future. That's the engine that keeps us going!

Something each of you could do is to let friends and family know about our club. You are a trusted referral to the community and can help us expand our outreach. The next time you find yourself discussing your dancing, let everyone know about our high-quality club! Tell them to simply go to our website:

stlouisballroomdancers.com

to get any details they might need. Please be an advocate for our club. You have every reason to be proud!

See you on the dance floor!
